**CONTRACT APPROVAL**  
**Contract No. A-101**

Pursuant to your request of 18 May 1956, CMDC Doc. No. 151X5.115, and attachment thereto, approval is hereby granted to make a leasehold improvement on Building No. 7 consisting of the construction of an antenna pattern measuring facility on the roof of said building.

Amortization of this improvement is considered to be an appropriate charge to overhead, subject to the usual review and acceptance of such cost by cognizant local Government representatives. The instant approval refers to the technical necessity for incurring such overhead cost in connection with the work under Contract No. A-101 and endorses such necessity.

Dear George:

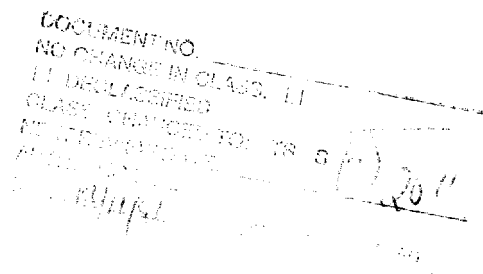

We have received Air Force approval for a leasehold improvement to construct the antenna pattern measuring facility on the roof of Building No. 7, which we talked about previously. A copy of the Administrative Contracting Officer's letter of approval is attached.

Your approval is requested for making the amortization of this improvement an authorized overhead charge to Contract A-101.

Sincerely,

Bob
